A Message from the Mayor,

We have had some vandalism in our community this week. Someone shot a hole in one of the front windows at Sanders Hardware and a second shot shattered one of the windows. If you know anything about this, please contact the sheriff's department. It happened between 4 PM and 6:30 PM on Wednesday, April 5th.

Toward the end of May, the Early Public Library is going to have a program presented on keeping yourself safe from scams. This should be a beneficial program for any and all. Be sure to mark your calendars and plan to attend. There are posters around about this program and the churches have been notified on it, too.

F.O.C.U.S. is again doing Yard of the Month this summer. With Early's 135th anniversary in July, let's put some extra effort into sprucing up. Thank you to everyone who attended the Pasta Supper sponsored by F.O.C.U.S. in March.
