Water Source Protection meeting will be held January 8th, 6:00 pm at City Hall. All residents, both town and country, are urged to attend to discuss plans to address the rising nitrate levels in our public water system. The follow-through of the community's local Source Water Protection Plan needs local leadership. Community awareness and involvement starts with committed individuals working together. Through the work of community leaders and SWP team members efforts to protect our most valuable resource will be successful.

MAYOR'S NOTES

How do you like the completion of Highway U.S. 20 as a 4-lane? After 60 years, it is great to have it completed. Shirley Phillips and I have served on the board of the U. S. 20 Corridor Association for over 30 years. The Association will be officially disbanded at the end of this month.

The City Council meeting this month was short and sweet. Not a lot on the agenda.

I would like to take this opportunity to wish everyone a blessed Christmas and New Year! May you have safe travels and a wonderful time with family and friends. Remember Christ is the reason for the celebration on Christmas.

Sharon Ann Irwin, Mayor

Sharon Ann Irwin was honored at the Sac County League of Cities December 12 for her many years of determined resolve to accomplish what others thought impossible. Making Highway 20 a four lane stretching across northern Iowa from Dubuque to Sioux City. Thank you Sharon for your 30+ years on this project.
