

Citizen's of Early,

We are in a

Water Warning Tier 1

What does this mean?

A Water Warning- Tier 1 is declared when a water shortage poses a serious threat to the ability of the water system to meet the needs of its customers currently or in the foreseeable future.

All customers are **required** to limit all non-essential uses of water in order to conserve resources. It is **required** of you to comply with the following standards;

- Outdoor watering or irrigation of lawn is prohibited. Watering or irrigation of flower/vegetable gardens, trees, and shrubs less than 4 years old and new sod or seedling are permitted once per week with an application not to exceed one inch.
- Outdoor watering of any kind is prohibited between the hours of 8:00AM and 8:00 PM
- Car washing is prohibited except in commercial establishments that provide service.
- No water should be used to fill private swimming pools, children wading pools, reflecting pools or any other outdoor pool or pond.
- No water should be used to wash streets, parking lots, driveways, sidewalks or building exteriors.
- No water should be used for nonessential cleaning of commercial and industrial equipment, machinery, and interior spaces.
- Use of water-consuming comfort air conditioning equipment which consumes in excess of 5% of the water circulating in such equipment is prohibited.
- Tank load water sales may be curtailed or eliminated.

Water reclaimed or recycled after some other primary use, such as water that has been used for washing or cooling, may be used without restriction. Additionally, water derived from sources other than the City water utility, such as water condensed from the atmosphere by air conditioners or collected from rain or snow, may be used without restrictions.

Thank you for your cooperation during this time,
City of Early
