

Early FOCUS
PO Box 117
Early, IA 50535
402-659-4477

Dear Early Resident,

I am writing on behalf of the Early FOCUS Group. What is the FOCUS group? FOCUS stands for, (For Our Community United Support). We are the chamber to the town of Early. We are a nonprofit group made up of strictly volunteers from the town. We put on many events throughout the town and help with many town projects. We give donations towards many other projects going on in and around Early, and try to help out where possible. We have also been in charge of the yard of the month, which will now be handled by the Friends of the Library. Our main events are Light Up The Town, followed by judging Holiday Home of the week, and our big event is Early Crossroads Days!

These events are only made possible through the generous funding we have received from members of our community and the citizens of Early! We are specifically seeking donations towards the continuing of Early Crossroads Days. We would like to keep it simple for the next 4 years and on the 5th year go bigger. We cannot continue to fund all of these events without the help of the citizens of Early. We are so very grateful for every single donation we get and thank you for helping us continue to bring Early Crossroads Days to Early.

We hope that you will be able to join us in funding the upcoming events we are hosting. We are seeking donations of any size to help. **Any support is greatly appreciated.** You can use the return envelope provided to send a Check Payable to **Early FOCUS** or cash if you prefer to donate smaller bills.

Any support will be highly appreciated by us and the community that we provide a service to. If you have any questions please feel free to contact me through the phone number above or via email at crcudaback@gmail.com

Yours Faithfully,

The Early FOCUS Group

PS. Please remember that we welcome you to all our events and hope that you check out everything your money goes towards. Mark your calendars for July 20, 2024.

Thank you for all your support!
