

PUBLIC HEARING NOTICE

The City of Early will be holding a Public Hearing to review an application for a State Revolving Fund (SRF) loan and to make available to the public the contents of an environmental information document and the City's project plan. These documents include design and environmental information related to the proposed improvements to the City's water supply system.

The project includes test well drilling to the Dakota Aquifer, approximately 300-350' deep, under the planning and design phase of the project. After the test well results have been analyzed and approved, the test well will be converted into a municipal supply well. This project also includes the raw water main connections and electrical/controls connections and all necessary connections and appurtenances.

The purpose of this Public Hearing is to inform area residents of the community of Early of this proposed action, discuss the actual cost and user fees associated with this project, and to address citizen's concerns, if any, with the plan.

The Public Hearing location and time are as follows:

DATE & TIME: TUESDAY, JULY 21ST, 2026 AT 6:00 P.M.

LOCATION: EARLY PUBLIC LIBRARY

ADDRESS: 107 MAIN ST.

CITY, Iowa ZIP: EARLY, IA 50535

All interested persons are encouraged to attend this hearing. Written comments on this proposal may also be submitted prior to the hearing. Questions regarding this hearing or the availability of documentation may be directed to the Project Contact at 712-273-5283. Additionally, public comments can be sent to SRF-PC@dnr.iowa.gov.
